

**Your lead surgeon severely cut his hand while working on a home project. You selected his specialty insurance based on the lowest rate.**

## **Who's hurting now?**

Accidents happen. While it's impossible to prevent the physical pain, it is possible to ensure that your physicians are covered—and incomes protected—until they get back on their feet and back on the job.

At Bridgeport Benefits, Inc., our physician group Long Term Disability plans offer you the following advantages:

- Maximum coverage and superior protection at competitive rates
- Excellent contract features and benefits
- Benefit levels available up to 66 2/3% to \$20,000 per month (dependent on income level and group size)
- Hassle-free administration, claims handled promptly and fairly
- High-touch service

We can't take the hurt away completely, but  
we can ensure rock-solid coverage for your  
physicians. Best of all, you can enjoy peace  
of mind knowing your group is covered by  
distinctive benefit programs and service.
